

BEAD FUNDING CAPABILITIES

WHO IS ADB?

ADB is an industry-leading infrastructure solutions provider, proudly building networks, connections, and partnerships nationwide within the telecommunications and utility industries. We provide turnkey solutions in utility, fiber optic infrastructure, engineering, electrical, wireless communications, and technology services. ADB extends its services to a diverse clientele, including Internet Service Providers (ISP's), carrier service providers, commercial enterprises, as well as local, state, and federal government organizations. Recognized nationally for our dedicated safety-first culture, ADB prioritizes meeting client needs while maintaining a history

ARE YOU APPLYING FOR BEAD FUNDING?

ADB is a premier partner with nearly 30+ years experience in the utility infrastructure industry. Our team has experience, knowledge, and the resources to partner with ISP's, government agencies, & contractors on federally-funded projects across the nation. Having nationwide presence, our team is ready and available to help you create successful connections to those underserved & unserved communities.
